

## **Cry No More (joy Song)**

### **Verse 1:**

There is a joy within my soul  
There is a peace that won't let go  
There is a love surpassing understanding

There is a hope that lives in me  
There is a truth that all must see  
There is a kingdom that is never-end-ing

### **Pre-Chorus:**

So I will worship  
I'll surrender all  
And I will bow down  
You hear my call

### **Chorus:**

So I will sing your praise  
Be faithful all my days  
Until I hear you say  
Cry no more, we'll cry no more  
And then you'll wipe away  
All of my tears and shame  
For one day you will make  
All things new, all things new

### **Verse 2:**

All that was wrong will be made right  
All that was dark will come to light  
All that was lost will be restored  
You will make

All of our pain and sorrows cease  
And we will finally be at peace  
When we come face to face with you,  
Yeshua (Lord Jesus)

### **Pre-Chorus:**

So I will worship  
I'll surrender all

And I will bow down

You hear my call

### **Chorus:**

So I will sing your praise  
Be faithful all my days  
Until I hear you say  
Cry no more, we'll cry no more  
And then you'll wipe away  
All of my tears and shame  
For one day you will make  
All things new, all things new

### **Bridge (x3):**

Holy is the Lord  
Holy is His name  
Holy are you  
We lift you up we bless your name  
(x3)

### **Chorus:**

So I will sing your praise  
Be faithful all my days  
Until I hear you say  
Cry no more, we'll cry no more  
And then you'll wipe away  
All of my tears and shame  
For one day you will make  
All things new, all things new
